My 2025 Diary is closed!

I have worked within the wedding industry for over 10 years and my brides have always been a priority. Over the years my craft and passion has led me to doing nearly 100 brides a year. However, in my pursuit of perfection and luxury, I have made the decision to scale my brides down to just 30 a year.

If you love my work and would love to be one of my 30 brides for 2026, let's make it official! Click the bookings tab or book now button on my website.

Larger parties are welcome, over 6 people will require an extra hairdresser which is charged at £100 on top of the overall cost. The hairdresser will be one of my trusted colleagues from Novia salon.

Flower girls must be 5 years old + due to insurance purposes.
